## 470 Internationale

One Championship will be organised, grouping all categories (men, mixed and women crews).

This event is open to all crews originating from all nations, without limitation of entries per nation.

All participating crews shall be in good standing with the International 470 Class Association (good standing means in particular that the corresponding National Associations have paid their annual fees for 2006 before the end of February 2007) and with the Organising Committee (good standing means in particular that they comply with the ISAF Eligibility Code).

**Each crew member shall not attain her or his 22<sup>nd</sup> birthday before 31<sup>st</sup> December 2007** (i.e. born in 1986 or later).

According to our regulations, the title of **“470 Class Junior World Champion”** will be awarded to the first crew of the Championship. A dedicated ranking list will be established for women crews, by deletion of men and mixed crews from the official ranking list of the Championship, but no title will be awarded from this dedicated ranking list.

The notice of race will be issued soon and available on the Organiser Website and on the International 470 Class Association Website ([www.470.org](http://www.470.org)). Requests for Entry will be individually and exclusively collected via a specific on-line process available soon on [www.470.org](http://www.470.org).

Yours sincerely,

Alain Corcuff  
Secretary General
